ABOUT US

About MORIFA

- ✓ PT MORIFA is established in 2018. We are specialist company handling only in Moringa, we don't do any other crop commodity products.
- ✓ Our headquarter is in Jakarta, Indonesia, while our moringa oil processing facility is in Kupang, Nusa Tenggara Province of Indonesia.
- ✓ For Moringa Oil, the moringa seeds we procure for processing into moringa oil are wildly collected from mother nature without cutting down or damaging the tree. We plan on doing reforestation of Moringa trees on many empty land plots available in the region in order to have more sustainable sourcing.
- ✓ For Moringa Leaf processed raw materials, we collect from local partners. We plan doing our own planting and leaf processing unit as well because we want to generate more income to our local people and we need to expand our output quantity to meet global demands.
- ✓ For finished products, we collaborate with various reputable local and foreign manufacturers that are expert in their specific product sector respectively to manufacture high quality and safe food/cosmetic finished products. Most of our partners are already FSSC 22000, GMP, HACCP, ISO 22000 certified (Halal certification can also be requested if needed).

ABOUT US

We Care For People and We Care For Nature

Social impact, sustainability, and environmental protection are **ABSOLUTELY** very important for us. We have separate full presentation on that aspect. Please request to us to elaborate on this aspect if desired.

Why Moringa Leaf?

- ☑ Contains more than 90 nutrients and 46 different antioxidants.
- ☑ Contains 18 of the 20 Essential amino acids required by the human body.
- ☑ Perfect balanced natural combinations of vitamins, minerals, iron, calcium.
- ☑ Highest level of chlorophyll and other amazing ingredients.
- ☑ Has a range of uses and is an extremely versatile food additive/ingredient.

Why Moringa Oil ?

- ☑ Absorb deeply into skin (non-comedogenic) : no greasy residue, best for massage oil.
- ☑ Stable, resistant to oxidation : no preservative required, can last up to 5 years.
- ☑ Anti-inflammation, anti-bacterial, anti fungi : reduce acne, scars, blemish, spot.
- ☑ Versatile and integrative : complete natural nontoxic solution for hair, face and body.
- ☑ Anti aging, anti wrinkle : rich in natural polyphenols, antioxidants, cytokinins, zeatin.
- ☑ Ideal carrier oil: Natural base scent and hold volatile scents very effectively.
- ☑ Unique fatty acid: Contains behenic acid (not found in other plant oil).

A

MORINGA RAW INGREDIENTS

1. MORINGA LEAF POWDER

All the goodness of Moringa Leaves in form of very fine powder, available in 200mesh and 500mesh. This product is very versatile in its use. There are many ideas and ways on how to use the moringa leaf powder :

- ✓ BLEND into your water, juices, cocktails, milk, coffee, smoothies, yogurt, ice cream
- ✓ SPRINKLE into cereals, granolas, salads, dressings, roasted vegetables, condiments, salsas, egg dishes, pasta, mash potatoes, risotto, porridge etc
- ✓ STIR into soups, casseroles, stews, dips, sauces, dressings, condiments
- ✓ BAKE into savoury bread, pancake, brownies, muffins, cookies, biscuits, cakes, snacks, noodles (simply add some powder to flour and the resulting product will have the natural green color of moringa)
- ✓ COMBINE it with your creativity to create new unique products for the market such as moringa jam, moringa mayonnaise, moringa cream filling, etc

Moringa Leaf Powder 200 mesh

Moringa Leaf Powder 500 mesh

- ◆ Shelf Life : 18 months
- ◆ Bulk Packaging Options : 1 kg or 4 kg alufoil, 25kg duplex drum

A MORINGA RAW INGREDIENTS

2. MORINGA DRIED LEAVES & DRIED TEACUT

All the goodness of Moringa leaves in its original dried leaves form. Available in non-cut dried leaves and tea cut dried leaves (1-2mm).

This is the perfect Moringa ingredient to make liquid-infused products like :

- ✓ Moringa Loose Leaf Tea Product
- ✓ Moringa Teabag products
- ✓ For cooking into moringa leaves vegetable in hot soups, stews
- ✓ Moringa Alcohol infusions
- ✓ Moringa Infused Water
- ✓ Moringa Herbal infusions

Moringa Dried Leaves

- ◆ Shelf Life: 12 months
- ◆ Bulk Packaging Options : 500 gr vacuum bag, 13 kg plastic bag

A MORINGA RAW INGREDIENTS

3. TIMOR MORINGA OIL (TIMOR MORINGA®)

Our unique Moringa Oil (TIMOR MORINGA®) have many characteristics that cannot be found in moringa oil of other origin, please read more about its uniqueness at our website. We only provide 100% pure, virgin, cold pressed moringa oil, which is very nutritious for the skin, hair and body.

Moringa oil can be used for :

- ✓ Face and body application (as Pure Moringa Oil Serum)
- ✓ Ingredient in creating cosmetic products (shampoo, face cleanser, lotion, cream, bodybutter, body wash)
- ✓ Blending with essential oil to make massage oil (moringa oil as carrier oil)
- ✓ Alleviating arthritis, joint-related pain (moringa oil has strong anti-inflammation properties)
- ✓ Direct human consumption as salad oil
- ✓ Making moringa oil soft gels for cardiovascular and gastrointestinal health

- ◆ **Shelf Life :** 36 months
- ◆ **Bulk Packaging Options :** 1 litre bottle, 5 litre or 30 litre jerrycan, 200 litre drum

A

MORINGA RAW INGREDIENTS

4. TIMOR MORINGA SEEDS

We provide organic moringa seeds and conventional moringa seeds, available in original seeds or wingless seeds. Our moringa seeds are collected from Timor Island, due to the unique environment conditions, the resulting seeds if pressed into moringa oil, will yield different characteristics of moringa oil compared to moringa oil of other origins.

Moringa seeds can be used as raw ingredient to make moringa seed extracts, moringa oil, moringa seed powder or its kernel consumed orally as medicine.

Moringa Seeds

Moringa Seeds Without Wings

- ◆ Shelf Life: 12 months
- ◆ Bulk Packaging Options: 1kg, 10kg, 30kg or custom

A

MORINGA RAW INGREDIENTS

- ◆ Shelf Life : 12 months
- ◆ Bulk Packaging Options :
1 kg or 4 kg alufoil, 25 kg duplex drum

5. MORINGA SEED CAKE POWDER

Seed Cake Powder also known as Pressed Cake Powder or Seed Meal Powder is obtained after moringa seed kernel is mechanically cold pressed to get the precious moringa oil. Seed cake is concentrated version of moringa seed, but without the oil (although a small amount of oil is still left in the seed cake). Protein content in moringa seed cake is very high, amounting to 50% of the total weight.

Besides strong concentrated anti-inflammation, moringa seed cake is also loaded with natural anti bacterial, anti microbial, anti fungi properties, making it suitable for :

- ✓ Ingredient in high-protein food products, such as protein bar, muscle-building protein shake, etc
- ✓ Ingredient for non-water soluble cosmetics such as scrubs
- ✓ Ingredient in creating high protein feed for livestock industry and pet food industry
- ✓ Natural water treatment agent to produce purified safe water (moringa oil has coagulating properties and can remove lead nickel cadmium in water)

Moringa Seed Cake Fine Powder

Moringa Seed Cake Powder

A

MORINGA RAW INGREDIENTS

6. MORINGA FOOD GRADE POWDER EXTRACT (SEED & LEAF)

Our moringa powder extract is food grade and water soluble (can dissolve completely in water even in room temperature). Both moringa leaf powder extract and moringa seed powder extract are available. Maltodextrin was used as the extraction solvent, therefore it is non allergenic.

Powder extract is suitable:

- ✓ As ingredient in food/drink products, particularly dry products like instant beverages, effervescent tablets, powder sachets, etc
- ✓ As ingredient for moringa leaf capsules / tablets

Moringa Leaf Powder Extract

Moringa Seed Powder Extract

- ◆ Shelf Life : 36 months
- ◆ Bulk Packaging Options :
5kg, 10 kg, 20 kg alufoil

A

MORINGA RAW INGREDIENTS

7. MORINGA FOOD GRADE LIQUID EXTRACT (SEED & LEAF)

Moringa Food Grade Liquid Extract is very versatile ingredient and can be used to create many liquid/emulsion based food products, ranging from cookies filling, PET bottle drinks, candy, juice bottles, herbal drink, honey etc. Both food grade moringa leaf liquid extract and food grade moringa seed liquid extract are available.

Moringa Food Grade Leaf Liquid Extract

Moringa Food Grade Seed Liquid Extract

- ◆ Shelf Life: 12 months
- ◆ Bulk Packaging Options: 1 kg, 5 kg, 10 kg, 20 kg bottle or jerrycan

A

MORINGA RAW INGREDIENTS

8. MORINGA COSMETIC LIQUID EXTRACT

Conventional Moringa Cosmetic Leaf Liquid Extract

Conventional Moringa Cosmetic Seed Liquid Extract

Cosmetic liquid extract is suitable to be used as ingredient for cosmetic formulation. Both moringa leaf cosmetic liquid extract and moringa seed cosmetic liquid extract are available. We provide two types of cosmetic moringa liquid extract:

- Conventional moringa cosmetic liquid extract
- Cold Process moringa cosmetic liquid extract

- ◆ Shelf Life: 12 months
- ◆ Bulk Packaging Options: 1 kg, 5 kg, 10 kg, 20 kg

A

MORINGA RAW INGREDIENTS

8. MORINGA COSMETIC LIQUID EXTRACT

Cold Process Moringa Cosmetic Leaf Liquid Extract

Cold Process Moringa Cosmetic Seed Liquid Extract

Cold process liquid extract are made under temperature not higher than 40C therefore it does not damage any heat-sensitive phytochemicals contained in the raw moringa material, but the process is more costly than conventional process and, also has much lower extraction ratio compared to conventional process. Extraction ratio in cold process is 1:40 for moringa leaf extract and 1:20 for moringa seed extract as opposed to 1:1.6 in conventional moringa leaf extract and 1:2.2 for moringa seed extract.

On the other hand, conventional extraction process involves high heat. This is standard type of extract that is commonly made and used widely in cosmetic industry. If pricing is utmost important factor, then one should opt for conventional moringa extract, while if high quality is desired for the final product (usually for high-end products), then one should opt for cold process moringa extract.

A

MORINGA RAW INGREDIENTS

9. MORINGA OIL LENO EXTRACT

Moringa Oil LENO Leaf Extract

Moringa Oil LENO Seed Extract

Moringa Oil Leno Extract is made in collaboration with L.e.n.o Beauty in Italy, in which lipo extracts, obtained using the patented method of L.E.N.o®, is a truly innovative process based on Biophysics technology that has been long developed by Ph.D. Mario Benvenuti in Italy in producing outstandingly unique natural lipo extracts that can be used in the design and production of a broad range of products for the care and well being of the skin, as well as being food grade at the same time, therefore usable as well in food industry.

What makes this extraction process special is that 100% of the properties and active ingredients of the medicinal herbs are preserved, therefore resulting in a much higher concentration than any other extract commonly used in cosmetics.

- ◆ **Shelf Life:** 12 months
- ◆ **Bulk Packaging Options:** 100gr, 500gr, 1kg, 5kg bottle

A

MORINGA RAW INGREDIENTS

9. MORINGA OIL LENO EXTRACT

Both Moringa oil LENO Leaf Extract and Moringa Oil LENO Seed Extract is available. LENO stands for Lipo Extract Natural Of.

- Moringa Oil LENO Leaf Extract Ingredient List: 20% Moringa Leaf and 80% Moringa Oil
- Moringa Oil LENO Seed Extract Ingredient List: 30% Moringa Seed and 70% Moringa Oil

Both products can be combined and used together to create finished products that contains all the active ingredients of Moringa Leaf, Moringa Seed, as well as the original Moringa Oil that already exist in Moringa Oil LENO Extract (no other vegetable oil is added). Such combination is simply just the best of Moringa combination that can be offered currently in this world!

In fact, this is very effective and advantageous in formulation because much less extract dilution can be avoided. Unlike normal individual extracts that are usually the raw material concentrate being diluted with other cosmetic ingredients like glycerine, etc, Moringa Oil LENO Extract consist only of the moringa raw material concentrate + Moringa Oil.

Note: We can also offer LENO Leaf Extract and LENO Seed Extract using conventional vegetable oil like sunflower and peanut oil instead of Moringa Oil, which would result in lower price, but without the added benefit of Moringa Oil.

B

FOOD/DRINKS CATEGORY FINISHED GOOD PRODUCT

All products are customizable, from the packaging to the content per pack. All products are available for private brand

1. Moringa Leaf Powder Pack

Content : 200 gr/pack

21. Moringa Salad Oil

Content : 230ml/bottle

Ingredients : 100% Pure Cold Pressed
Moringa Oil (TIMOR
MORINGA®)

Moringa oil contains high monounsaturated to saturated fatty acids ratio (MUFA/SFA), this ratio has been associated with a reduced risk of all-cause mortality, cardiovascular mortality, cardiovascular events and stroke. In addition, the sterol fraction of Moringa oil is involved in the metabolism of cholesterol, lowering the circulating level of the bad cholesterol (LDL cholesterol).

When consumed, moringa oil helps combat stomach disorders, boosts immunity, lowers blood pressure, improves gut health while protecting the liver and kidneys. Besides, moringa oil has high smoking point, making it an excellent substitute for other vegetable oils with lower thermal stability.

With high amounts of proteins rich in sulphated amino acids, sterols and tocopherols, moringa oil is also rich in minerals, vitamins, omega 3, 6, 9 making it a nutritious and healthy edible oil.

C NATURAL COSMETICS CATEGORY FINISHED GOOD PRODUCT

3. Moringa Body Oil - Natural Blend Series (20ml x 5 bottles)

Moringa Body Oil is a completely natural personal care product made of 98% of pure moringa oil and 2% of natural essential oil blend. As simple but as powerful as it is, Moringa Body Oil contains no chemical whatsoever, zero alcohol, only pure nature's goodness. The amazing thing that you are about to discover on Moringa Body Oil - Natural Blend is that it brings forward four functions simultaneously:

- ✓ **As Body Lotion :** Moringa characteristic fatty acid properties moisturizes and revitalizes your dry skin, making it smooth and silk glossy, all without the sticky oily feeling on the skin.
- ✓ **As Perfume and Aromatherapy :** The combination of natural essential oils in the body oil provides extravagant pleasant smell to your skin, at the same time giving boost to your mind and mental health, all without the risk of any kind of synthetic fragrance whatsoever.
- ✓ **As Skin Serum :** protects and repairs your skin from inside with our Moringa Oil's rich content of behenic acid, Vitamin A, Vitamin E and trace minerals
- ✓ **As Anti-Inflammation Agent :** Moringa Oil's naturally strong anti-inflammation properties provides instant relief to joint pains, arthritis, swollen/red areas, muscle pain, etc.

WHY TAKE THIS OPPORTUNITY

The Growing Market for Moringa Products

- ✓ According to Facts & Factors, the global moringa products market is expected to grow at a CAGR of more than 8% and is anticipated to reach around USD 8,400 Million by 2026.
- ✓ Moringa is a sunset industry, it is an ecosystem that will grow rapidly in short and long term with the growing trend of healthy and back-to-nature products and lifestyle, applicable for both food sector and natural cosmetic sector.

WHY DO BUSINESS WITH US

Your Success is The Foundation of Our Growth

- ✓ **Moringa Specialist.** We are specialist in moringa, we do not handle any other plants, all our effort, knowledge and skills are 100% laser focused on Moringa. We believe we can claim that we sufficient expertise in field of moringa.
- ✓ **Quality Products at Reasonable Price.** We do the best in our effort to ensure quality products. We do not aim to provide the cheapest price because it involves sacrificing many aspects of quality, but we aim to offer superior quality at reasonable price.
- ✓ **Free Sample Available.** Please ask us for sample of our products, especially our base ingredient (moringa leaf powder and moringa oil) to see the big difference.
- ✓ **Great Flexibility.** Private labels for finished products are available, lower MOQ can be requested in some cases, terms of payment can be discussed.
- ✓ **We commit to your satisfaction.** We have integrity in doing our business. If in any case you are not satisfied with our product or services, let us know, we will work it out and we promise we will try our best to provide win-win situation for all parties involved.
